

## LED Vanity Lights

**FLEMING · BURKE  
HASWELL**

Introducing three new LED vanity light collections from Design House. All three collections have integrated LED lights for excellent color and long life.

- Fleming bath bars feature decorative satin nickel bands over a frosted white cylinder lens; available in two sizes
- Burke bath bars feature a simple frosted white cylinder lens with satin nickel end caps; available in two sizes
- Haswell vanity lights are available in 1-light, 3-light, or 4-light LED options, a polished chrome finish with etched/clear-edged acrylic lenses

- ETL Listed for use in damp locations
- High CRI; 3000K performance

- Integrated LED equivalent to 60W incandescent bulbs
- 50,000 hour life
