LED DIRECTIONAL LIGHT

Versatile LED ceiling lights from Design House. Three new collections provide the efficiency and long life of LED's, while giving you the functional benefits of aimable track lights. The individual light heads spin 360° and tilt to aim the light precisely where you want it.

- Pierce LED ceiling lights are available in 1-light and 3-light options in a satin chrome finish
- Sheridan LED ceiling lights are available in single and 3-light options in a rich oil rubbed finish and are excellent overhead task lights
- Brushed nickel Otero lights provide an edgy, urban style to your décor

-
- ETL Listed for use in damp locations
 - High CRI; 3000K performance

- Integrated LED equivalent to 60W incandescent bulbs
 - 50,000 hour life
-
